

cocktails & conversation

GreenLife Pavilion at NeoCon
Market Suite 8, Booth 3136c

Introducing ntef™ by GT. The new mbdc
cradle to cradle certified ingredient for
self-skinning PU molded components.

A new way to help you achieve
your environmental goals and
certification objectives.

join us in welcoming,
Jay Bolus, vice president,
technical operations, mbdc

three – five pm
monday
June 14
